Agency Funds

Cash Balances and Expenditures

Agency Code	Agency Name	Fund Number	Fund Title	Year End Cash Balance	Total Expenditures From Fund	Cash Balance as a % of Expenditures	Describe in detail why the agency needs to carry forward a balance greater than one-sixth (16.5% = 60 days) of the funds identified as total expenditures for the prior fiscal year
P120	Forestry Commission	30350000	OPERATING REVENUE	\$4,357,620	\$5,978,089	72.89%	The revenue generated in this fund is from Insurance Premium Taxes generated from Act 273 for firefighting and the purchase of firefighting equipment. This money is transferred to the Commission from the Department of Insurance the end of each quarter so the last transfer is not made until the end of the fiscal year. Therefore, these funds are carried over to the following fiscal year to purchase equipment.
P120	Forestry Commission	30350002	REGIONS SERVICE FUND	\$1,436,686	\$337,401	425.81%	Landowner requests for services must continue to be performed at the beginning of the fiscal year and funds are needed for fuel and repairs to equipment. It usually takes approximately two to three months to receive payment on invoices after service work is performed.
P120	Forestry Commission	30350003	NURSERY & TREE IMPR	\$651,804	\$189,043	344.79%	These funds are generated from the sale of seed, surplus cones and lease payments. They are used for the purpose of harvesting for next years seedling sales/production. Funds are carried forward for the purpose of next years planting and harvesting cycle.
P120	Forestry Commission	30350004	MCCORMICK COUNTY FD	\$30,448	\$5,655	538.43%	Landowner requests for services must continue to be performed at the beginning of the fiscal year and funds are needed for fuel and repairs to equipment. It usually takes approximately two to three months to receive payment on invoices after service work is performed.
P120	Forestry Commission	30350005	STATE FORESTS	\$7,866,244	\$9,961,066	78.97%	The majority of the revenue generated from this subfund comes from timber and forest product sales. This is seasonal revenue, i.e. periodic and not monthly, which can be influenced by many factors such as weather, market prices and demand. Approximately half of the disbursements from this subfund are for salaries and benefits. Because of the factors mentioned above that could influence the collection of revenue, we must carry forward enough funds to meet payroll requirements for several months until collections of revenue materializes.
P120	Forestry Commission	30350017	DISASTR REIMB-ST FD	\$25,039	\$0	0.00%	N/A
P120	Forestry Commission	36340000	CAP RES FD OPER	\$0	\$0	0.00%	N/A
P120	Forestry Commission	37120000	GNA FORESTS	\$527,909	\$223,441	236.26%	These funds were generated from a timber sale at Francis Marion National Forest under Good Neighbor Agreement 18-GN-11081209-001 with the US Forest Service. The funds will be used to carry out authorized forest, rangeland and watershed restoration services on and off National Forest Service lands, for the benefit of those NFS lands. Services are performed after the approval of the USFS thus the need to carry forward these funds.
P120	Forestry Commission	39580000	SALE OF ASSETS	\$2,795,093	\$1,143,123	244.51%	These funds are generated from the sale of assets and used for the purchase of similar assets. Auctions are held for used equipment after new equipment is placed in the field each year. It then takes one to two months to receive funds from Surplus Property. After funds are received, new items must then be advertised, bid, and awarded. This process to include the ordering and receiving of the equipment can take 4-6 months. therefore, some equipment may not be received until the following fiscal year, creating the need to carry over funds. Secondly, this fund also contains revenue from the sale of agency surplus lands. These funds are carried over for the purpose of future land purchases that fit into the agency's mission and purpose.
P120	Forestry Commission	39850000	FOREST RENEWAL FUND	\$1,082,888	\$730,916	148.15%	The Forest Renewal Program provides landowners with funds for reforestation purposes. Landowners have up to 20 months to complete contracts after their application for funds is approved. Therefore, this fund will always carry a balance of approximately 12 to 20 months of funding.
