Dear Property Owner or Agent:

The State of South Carolina is seeking office space in Spartanburg County. Attached is a summary of specifications and lease criteria. You are invited to submit a proposal to lease property to the State which may meet the criteria.

Please submit proposals to the Department of Administration, Real Property Services on or before **4:00 PM, June 6, 2024**.

The agency and Real Property Services will determine which proposals best suit the agency's needs. After the deadline, we will review all proposals submitted. Should your proposal be of interest, you will be contacted to schedule a meeting and view the property.

All inquiries regarding this lease solicitation should be directed to Real Property Services via e-mail at rps@admin.sc.gov.

To be eligible to submit a proposal, a property owner or agent must have submitted to Real Property Services a receipt and acknowledgment of S.C. Code of Laws, 1976, as amended, §§ 1-11-55, 1-11-56, and 1-11-65 and S.C. Code of Regulations, § 19-447.1000. If you have not done so and wish to respond with a proposal, you may download the applicable form from our website at: [FMPS-202C.docx](#).

Sincerely,

Real Property Services

**REQUEST FOR LEASE PROPOSAL FOR
SPARANBURG COMMUNITY COLLEGE
OFFICE/LAB SPACE IN SPARTANBURG COUNTY**

No lease agreement with the State is final without the approval of designated authorities as governed by South Carolina law. Real Property Services reserves the right to negotiate lease terms with submitting parties until such final approval is granted. State law prohibits any party participating in this solicitation process from making direct contact with the agency seeking space until a final lease has been approved. All correspondence should be directed to Real Property Services. Prior to lease negotiation, Landlord may be required to provide a list of all partners or members where Landlord is an LLC or partnership (to include all tiers so that individuals are named).

Properties selected for site visits will be chosen based on a cost analysis of the submitted proposals, the responsiveness of the proposals to the stated requirements, and the space efficiency of proposed floor plans submitted; therefore, best proposals should be submitted initially.
