| Proviso # | A.261, H.3305, FY26-27 Supp. Appropriations Act, Section 1(B)(19) (k) Town of Nichols - Community Equipment |

| | Description | Budget | Explanation |
|---|---|---|---|
| ① | Repair/Replace HVAC unit @ Town Hall/Police Department | 134,000.00 | Several years of keeping our existing unit together along with the bills that come with it, warrants a new unit. |
| ② | Equipment for Maintaining new's existing Public Spaces | 196,225.00 | Building & enhancing our parks & Public spaces has been instrumental in keeping our residents & visitors engaged & enjoying the Nichols Hometown aesthetic. Maintenance & proper equipment are key to making this happen |
| ③ | Vehicle for Nichols Police Department | 18,775.00 | As growth continues in Nichols so does the need for additional vehicles for our officers. |
| | Grand Total | 349,000.00 | |

Please explain how these funds will be used to provide a public benefit:

① When residents & others come to our P.D. or Townhall to conduct business & the HVAC unit is down, then all who come are subjected to a very uncomfortable experience especially on days when weather is very hot or very cold

② Building, enhancing & maintaining our outdoor spaces has proven to be an investment well worth the effort of all involved. Having the right equipment for the maintenance is key so that work is done quickly & efficiently thus allowing less downtime to all who use it.

③ Keeping the Town patrolled is always a benefit to the public & vehicles are a necessary component to making this happen.
