

South Carolina Certified Public Manager® 2023 Credential Recipients

Congratulations to the graduates of the 2023 Certified Public Manager® program!

These individuals have successfully completed a rigorous program requiring 300 hours of coursework and learning assignments, two group projects, passage of a written examination, and completion of a project related to their respective agencies.

With the knowledge and skills they have acquired and strengthened during this 18-month program, these graduates are well-poised to shape the future of government in South Carolina for many years to come.

Certified Public Managers[®]!**

Thank you for your hard work, and good luck to you all.

**2023 Askew Award winner*

South Carolina Certified Public Manager® 2023 Credential Recipients

Congratulations to the graduates of the 2023 Certified Public Manager® program!

These individuals have successfully completed a rigorous program requiring 300 hours of coursework and learning assignments, two group projects, passage of a written examination, and completion of a project related to their respective agencies.

With the knowledge and skills they have acquired and strengthened during this 18-month program, these graduates are well-poised to shape the future of government in South Carolina for many years to come.

**Congratulations to each of these individuals for becoming
Certified Public Managers[®]!**

Thank you for your hard work, and good luck to you all.

**2023 Askew Award winner*

South Carolina Certified Public Manager[®] 2023 Credential Recipients

Congratulations to the graduates of the 2023 Certified Public Manager[®] program!

These individuals have successfully completed a rigorous program requiring 300 hours of coursework and learning assignments, two group projects, passage of a written examination, and completion of a project related to their respective agencies.

With the knowledge and skills they have acquired and strengthened during this 18-month program, these graduates are well-poised to shape the future of government in South Carolina for many years to come.
