

South Carolina Certified Public Manager[®] 2024 Credential Recipients

Congratulations to the graduates of the 2024 Certified Public Manager[®] program!

These individuals have successfully completed a rigorous program requiring 300 hours of coursework and learning assignments, two group projects, passage of a written examination and completion of a project related to their respective agencies.

With the knowledge and skills they have acquired and strengthened during this 18-month program, these graduates are well-poised to shape the future of government in South Carolina for many years to come.
