

SOUTH CAROLINA DEPARTMENT OF ADMINISTRATION

Request for Proposals: Utility Policy Advice and Consulting Services

Clarifications

CLARIFICATION TO POTENTIAL OFFERORS

The Department of Administration expects that an Offeror's proposal will address all tasks related to Utility Policy Advice and Consulting Services. An Offeror intending to subcontract or partner with another firm or firms should describe in detail the relationship with the other firm or firms and the manner in which the relevant tasks will be accomplished.

CLARIFICATION TO POTENTIAL OFFERORS

On page 4 of the RFP in the "Requirements for Substantive Proposals" section, firms are asked to provide the following:

5. A brief description of all work done for any South Carolina entity in the past five years.

In response to the above requirement, the Department of Administration seeks a description of work done for public governmental entities within the state of South Carolina.
