Coronavirus Relief Fund – SCEMD Report for Act #142 – March 1, 2021

1) State/local government and Hospital expenditures for COVID 19 response:

Reimbursement of eligible state and local government and private non-profit hospital costs for COVID-19 response under the federal Public Assistance (PA) program is now 100% federally funded through PA (retroactive to January 20, 2020).

Through end of February 2021, SCEMD had paid:

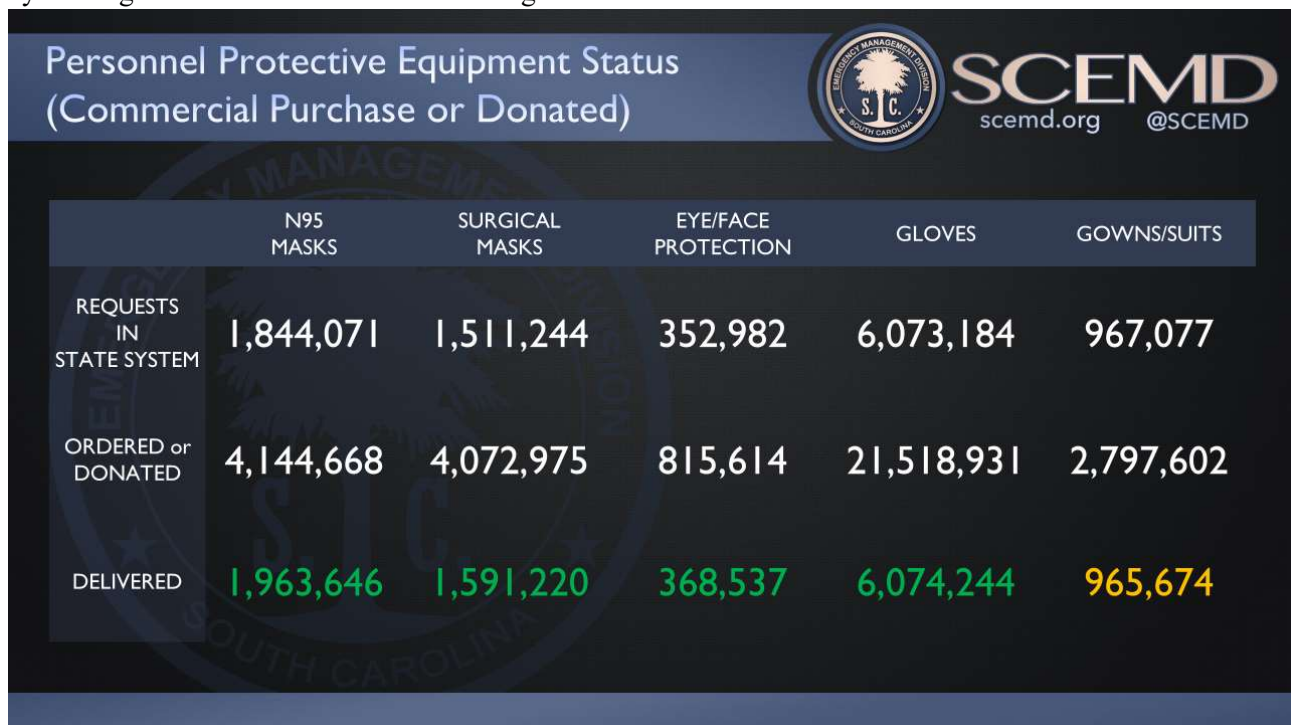

- \$30,217,680.40 in 75% federal share from Public Assistance (PA) funds
- \$9,951,856.87 in 25% non-federal share from CRF funds

SCEMD is prepared to return CRF funds not already expended for non-federal share, currently \$65,587,014.14, to the Department of Administration. SCEMD will be able to return the remaining \$9,951,856.87 once FEMA has reimbursed each project. We do not have an estimate regarding when FEMA will issue reimbursements but will continue to communicate with FEMA and will advise the Department of Administration of updates.

Description:	Amount
State and Local Gov't Cost Share	\$29,886,024.93
Hospital Cost Share	\$45,652,846.08
Subtotal:	\$75,538,871.01
Less: Expenditures to be Recouped from FEMA	\$9,951,856.87
Cash Balance:	\$65,587,014.14

2) Personal Protective Equipment Stockpile and Supply Chain: 16.8M was awarded to SCEMD

Part A: Stockpile: The below chart describes the PPE stockpile recommendation with estimated cost. SCEMD is currently seeking FEMA Public Assistance funding to reimburse the state.

Coronavirus Relief Fund – SCEMD Report for Act #142 – March 1, 2021

The below chart describes the quantities of PPE currently on hand.

Part B: Contractual services for the long-term warehousing, management and stock rotation of SC’s Personal Protective Equipment inventory (listed above) is underway. Personnel have inventoried SC’s PPE and transported the materials to a new warehouse for vendor management. Preparations are underway to coordinate resupply agreements with SC’s healthcare industry. Healthcare entities will order PPE from the open market and have their product shipped to the SC’s stockpile warehouse. Existing stockpile inventory will be quickly delivered to their location. PPE purchased by the healthcare entity will resupply SC’s PPE stockpile.

Description:	CRF amount obligated:	CRF amount reimbursed:
Supply chain plan	\$ 17,203.75	\$ 17,203.75
PPE warehouse and stock management	\$12,966,700.00	\$ 12,966,700
PPE warehouse and stock management (HazMat)	\$72,000.00	\$ 72,000
Total:	\$13,055,903.75	Remaining: \$ 0

\$3,744,096.25 deobligated from the PPE warehouse account and returned to the Department of Administration.

Additional Funding – Not part of Act No. 142

3) EMPG-Supplemental

The Emergency Management Performance Grant-Supplemental program is authorized by Coronavirus Aid, Relief, and Economic Security (CARES) Act, Div. B (Pub. L. No. 116-136) and the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Pub. L. No. 93-288 (codified as amended at 42 U.S.C. § 5121 et seq.). Title VI of the Stafford Act authorizes FEMA to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government and the states and their political subdivisions. This grant requires a dollar for dollar non-federal matching requirement and expires on January 26, 2022. In October, the US Treasury indicated that CARES Act/CRF funding could be used as match for the FY2020 EMPG and EMPG Supplemental. SCEMD will revise our grant applications to account for our spending in Project #3- PPE Warehouse and Management (listed above). Counties will no longer have to match their grants with local funding.

COVID19 Project / Name	EMPG-S	Match Requirement
A. County grants for emergency preparedness	\$840,512	\$ 0 (County)
B. SCEMD COVID19 Projects	\$840,512	\$ 1,681,024 (State/CRF match)
	\$1,681,024	\$ 1,681,024
	Total investment:	\$3,362,048 (grant + CRF match)

A) County Grant Awards:
