<b>ACCOUNTABILITY OF FUNDS</b>	<p>This increase in General Funds will fully fund the allocation for the Register of Deeds positions in the twenty-three counties where it is a separate office.</p>
--------------------------------	--

*What specific strategy, as outlined in the most recent Strategic Planning and Performance Measurement template of agency's accountability report, does this funding request support? How would this request advance that strategy? How would the use of these funds be evaluated?*

<b>RECIPIENTS OF</b>	<p>County Register of Deeds officers who receive the \$1,575 salary supplement in accordance with Proviso 113.3.</p>
----------------------	--

**FUNDS**

*What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?*

**JUSTIFICATION OF REQUEST**

The Register of Deeds exists as a separate governmental office in 23 counties in South Carolina. In Anderson, Beaufort, Cherokee, Chesterfield, Clarendon, Colleton, Georgetown, Horry, Jasper, Kershaw, Lancaster, Oconee, Orangeburg, Pickens, Richland, Spartanburg, and Sumter, the position is appointed by the governing body. In the counties of Aiken, Berkeley, Charleston, Dorchester, Greenville, and Lexington, the holder of the office is elected. In the remaining 23 counties, the functions are performed by the elected Clerk of Court.

The current appropriation of \$33,075 is only sufficient for the salary supplement in twenty-one counties and needs to be increased to reflect the current number of register of deeds officers.

*Please thoroughly explain the request to include the justification for funds, potential offsets, matching funds, and method of calculation. Please include any explanation of impact if funds are not received. If new positions have been requested, explain why existing vacancies are not sufficient.*

<b>ACCOUNTABILITY OF FUNDS</b>	<p>This increase in General Funds will bring the Aid to Fire Districts appropriation to the level of the FY 2021-22 distribution. The funds are used by county governments for fire departments pursuant to 23-9-410.</p>
--------------------------------	---

*What specific strategy, as outlined in the most recent Strategic Planning and Performance Measurement template of agency's accountability report, does this funding request support? How would this request advance that strategy? How would the use of these funds be evaluated?*

<b>RECIPIENTS OF</b>	<p>County governments for the betterment and maintenance of skilled and efficient fire departments pursuant to 23-9-410.</p>
----------------------	--

**FUNDS**

*What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?*

**JUSTIFICATION OF REQUEST**

**SECTION 23-9-410.** Distribution of funds collected on insurance premiums; use of funds. The State Treasurer shall pay over the amount collected upon the premiums of the insurance business required to be reported under the provisions of Section 38-7-70 to the treasurers of the counties to which the premiums are allocated under the provisions of Section 38-7-70 in the respective portions resulting from the allocations. All monies so collected must be set apart and equitably used by each of the treasurers solely and entirely for the betterment and maintenance of skilled and efficient fire departments within the county.

**SECTION 38-7-70.** Annual reports of premiums of fire insurers; allocation. Each fire insurer carrying on business in this State shall annually return to the director or his designee by March first a just and true account, verified by oath, of all premiums received during the preceding year ending December thirty-first from all fire insurance on all property located or that may be located in this State and from all fire insurance business done in this State. In the report the insurer shall allocate the premiums on this business to the county in which the property is located, regardless of where the insurance is written or premiums collected.

The fire insurance premium collections have been increasing and this increase will bring the appropriated amount to the level of the FY 22 collections. The Executive Budget Office has made an open-ended appropriation for the past two fiscal years to allow the STO to allocate all of the premiums collected.

*Please thoroughly explain the request to include the justification for funds, potential offsets, matching funds, and method of calculation. Please include any explanation of impact if funds are not received. If new positions have been requested, explain why existing vacancies are not sufficient.*
