Mr. Brian Gaines
 Executive Budget Office
 1205 Pendleton Street, Suite 529
 Columbia, SC 29201

Dear Mr. Gaines,

Here is our eighteenth monthly report regarding the expenditures of the COVID-19 funding we received March 1, 2021. The current month expenditures are for the time period August 1 - August 28, 2022. MUSC has incurred \$42,705,204 of expenditures related to COVID-19 in total. Below you will find a summary of expenditures for the current reporting period. These expenses have been either paid or in the process for payment by MUSC. Please note, under the "Supplies Category and General Operations," the total expenditures include community testing purchases from a prior period in which MUSC was not reimbursed.

Category	Description	Proposed Budget	Current Month Expenditures	Total Expenditures
Staffing and Support	Onsite labor – Registration, clinical, security, and command Offsite labor – Lab processing and resulting, communications, scheduling, and IT/automation/workflow support	\$14,250,000	\$647,622	\$16,935,768
