AGENCY NAME:	South Carolina Department of Transportation		
AGENCY CODE:	U120	SECTION:	84

What specific strategy, as outlined in the FY 2019-20 Strategic Planning and Performance Measurement template of agency's accountability report, does this funding request support? How would this request advance that strategy? How would the use of these funds be evaluated?

RECIPIENTS OF FUNDS	Operational costs within the Maintenance Division, as well as, contractors as needed.
----------------------------	---

What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?

JUSTIFICATION OF REQUEST	Funding requested to support the initiative of litter removal from South Carolina roadways.
---------------------------------	---

Please thoroughly explain the request to include the justification for funds, potential offsets, matching funds, and method of calculation. Please include any explanation of impact if funds are not received. If new positions have been requested, explain why existing vacancies are not sufficient.

FORM C – CAPITAL REQUEST

AGENCY PRIORITY	9
------------------------	----------

Provide the Agency Priority Ranking from the Executive Summary.

TITLE	SC Rest Areas Improvements
--------------	-----------------------------------

Provide a brief, descriptive title for this request.

AMOUNT	\$12,000,000
---------------	---------------------

How much is requested for this project in FY 2019-20? This amount should correspond to the total for all funding sources on the Executive Summary.

CPIP PRIORITY	<p>These rest area projects identified below have not been addressed in the agency CPIP. We have previously requested the projects be included in the capital bond bill for the replacement of these rest areas.</p>
----------------------	--

Identify the project's CPIP plan year and priority number, along with the first year in which the project was included in the agency's CPIP. If not included in the agency's CPIP, please provide an explanation. If the project involves a request for appropriated state funding, briefly describe the agency's contingency plan in the event that state funding is not made available in the amount requested.

OTHER APPROVALS	<p>No project approvals have been obtained.</p>
------------------------	---

What approvals have already been obtained? Are there additional approvals that must be secured in order for the project to succeed? (Institutional board, JBRC, SFAA, etc.)

LONG-TERM PLANNING AND SUSTAINABILITY	<p>Currently, there are no other funds to be invested for these facilities. Although the new facilities will be designed utilizing energy efficient lighting and HVAC units, utility costs are expected to increase since the current rest areas listed below do not currently have HVAC. The anticipated increased energy costs for the facilities will be approximately \$3500 annually and the cost will be absorbed by the agency in the operating budget.</p> <p>The expected useful life of these facilities will be 30+ years.</p>
--	---

What other funds have already been invested in this project (source/type, amount, timeframe)? Will other capital and/or operating funds for this project be requested in the future? If so, how much, and in which fiscal years? Has a source for those funds been identified/secured? What is the agency's expectation with regard to additional annual costs or savings associated with this capital improvement? What source of funds will be impacted by those costs or savings? What is the expected useful life of the capital improvement?

FISCAL IMPACT	<p>No fiscal impact.</p>
----------------------	--------------------------

Provide estimates of any fiscal impacts associated with this proviso, whether for state, federal, or other funds. Explain the method of calculation.

PROPOSED PROVISIO TEXT	<p>(GP: Charleston & Dorchester County Sound Barriers) From the funds authorized to the Department of Transportation, the department shall take the appropriate measures to allow the counties of Charleston and Dorchester to construct sound barriers in the department's easements along Interstate 26 within the borders of Charleston County and along Dorchester Road within Dorchester County, provided, no funds appropriated or authorized in Part IA to the Department of Transportation, any other section of this act, any Federal Funds, unless otherwise agreed to by the local Metropolitan Planning Organization or Council or Governments for use of a portion of their annual federal allocation, or any Other Funds, shall be used in the construction of the sound barriers, and only local dollars shall be used in the construction of sound barriers. The sound barriers must meet the state and federal noise abatement guidelines and must be constructed to meet any and all state and federal regulations. Consistent with the requirements of Section 57-25-190 (E) of the 1976 Code, or regulations adopted pursuant thereto, including construction by a local government in a state right of way, the owner of a legally erected and maintained billboard shall have the option to relocate such billboard sign to another location as close as practicable to the sign being relocated or adjust the height or angle of the billboard sign to a height or angle that restores the visibility of the billboard sign to the same or comparable visibility as before construction of a sound barrier. Costs for re location or alteration of a billboard due to sound barrier installation by a local government in a state right of way shall be paid by the local government. The provisions of Section 39-14-10 et seq. of the 1976 Code will apply regarding any compensation to be paid by local governments for billboard signs which cannot be relocated or altered.</p>

SUMMARY

The 3% general fund reduction will result in a lower level of funding provided to statewide transit entities that currently provide mass transit opportunities.

Please provide a detailed summary of service delivery impact caused by a reduction in General Fund Appropriations and provide the method of calculation for anticipated reductions. Agencies should prioritize reduction in expenditures that have the least significant impact on service delivery.
