

STATE EASEMENT APPLICATION INSTRUCTIONS

- 1) Enter the legal name of the applicant/grantee (person, corporation or entity) applying for the easement. Enter applicant's complete physical address and mailing address (if different from physical address), and telephone number.
- 2) Enter permit number(s) and/or authorization(s) corresponding to the proposed activity on land covered by this easement request [(U.S. Army Corps of Engineers (USACE), the South Carolina Department of Health and Environmental Control (SCDHEC) and the South Carolina Department of Transportation (SCDOT)].
- 3) If the applicant designates a representative or agent other than themselves to submit this application, list representative or agent's name, mailing address and telephone.
- 4) Enter the name and title of the authorized official who will sign the easement for the applicant.
- 5) Briefly describe the applicant. If a government agency or political subdivision, cite the appropriate enabling authority to conduct the activity and hold land. If a non-governmental entity, describe entity's purpose and need for easement.
- 6) Give the proposed, intended use, and the description of the type of structure you are proposing to construct and/or install. Also, indicate the need for the activity and the area/community to be served.
- 7) Provide a full legal description of the desired easement (dimensions for calculating acreage). This description will be used in drafting the easement and should be complete, accurate and sufficient for recording.
- 8) List the names and complete mailing addresses of all property owners adjacent to or nearest to the area of the proposed easement.
- 9) Provide a copy of USACE authorization and all appropriate state (SCDHEC, SCDOT) certifications and/or authorizations.

I certify that I am familiar with the information contained in this application and that to the best of my knowledge such information is true, complete and accurate.
