(1) "Governmental body" means a state government department, commission, council, board, bureau, committee, institution, college, university, technical school, agency, government corporation, or other establishment or official of the executive branch of this State. Governmental body excludes the General Assembly, Legislative Council, the Legislative Services Agency, the judicial department and all local political subdivisions such as counties, municipalities, school districts, or public service or special purpose districts.

(2) The Division of General Services of the Department of Administration is hereby designated as the single central broker for the leasing of real property for governmental bodies. No governmental body shall enter into any lease agreement or renew any existing lease except in accordance with the provisions of this section. However, a technical college, with the approval by the State Board for Technical and Comprehensive Education, and a public institution of higher learning, may enter into any lease agreement or renew any lease agreement up to one hundred thousand dollars annually for each property or facility.

(3) When any governmental body needs to acquire real property for its operations or any part thereof and state-owned property is not available, it shall notify the Division of General Services of its requirement on rental request forms prepared by the division. Such forms shall indicate the amount and location of space desired, the purpose for which it shall be used, the proposed date of occupancy and such other information as General Services may require. Upon receipt of any such request, General Services shall conduct an investigation of available rental space which would adequately meet the governmental body's requirements, including specific locations which may be suggested and preferred by the governmental body concerned. When suitable space has been located which the governmental body and the division agree meets necessary requirements and standards for state leasing as prescribed in procedures of the department as provided for in subsection (5) of this section, General Services shall give its written approval to the governmental body to enter into a lease agreement. All proposed lease renewals shall be submitted to General Services by the time specified by General Services

(4) The department shall adopt procedures to be used for governmental bodies to apply for rental space, for acquiring leased space, and for leasing state-owned space to nonstate lessees.

(5) Any participant in a property transaction proposed to be entered who maintains that a procedure provided for in this section has not been properly followed, may request review of the transaction by the Director of the Division of General Services of the Department of Administration or his designee.

SOUTH CAROLINA CODE OF LAWS

SECTION 1-11-56. Program to manage leasing; procedures.

(A) The Division of General Services of the Department of Administration, in an effort to ensure that funds authorized and appropriated for rent are used in the most efficient manner, is directed to develop a program to manage the leasing of all public and private space of a governmental body. The department must submit regulations for the implementation of this section to the General Assembly as provided in the Administrative Procedures Act, Chapter 23, Title 1. The department's regulations, upon General Assembly approval, shall include procedures for:

(1) assessing and evaluating agency needs, including the authority to require agency justification for any request to lease public or private space;

(2) establishing standards for the quality and quantity of space to be leased by a requesting agency;

(3) devising and requiring the use of a standard lease form (approved by the Attorney General) with provisions which assert and protect the state's prerogatives including, but not limited to, a right of cancellation in the event of:

(a) a nonappropriation for the renting agency;

(b) a dissolution of the agency; and

(c) the availability of public space in substitution for private space being leased by the agency;

(4) rejecting an agency's request for additional space or space at a specific location, or both;

(5) directing agencies to be located in public space, when available, before private space can be leased;

(6) requiring the agency to submit a multiyear financial plan for review by the department with copies sent to Ways and Means Committee and Senate Finance Committee, before any new lease for space is entered into; and

(7) requiring prior review by the Joint Bond Review Committee and the requirement of State Fiscal Accountability Authority approval before the adoption of any new or renewal lease that commits more than two hundred thousand dollars annually in rental or lease payments or more than one million dollars in such payments in a five-year period.

(B) Leases or rental agreements involving amounts below the thresholds provided in subsection (A)(7) may be executed by the Department of Administration without this prior review by the Joint Bond Review Committee and approval by the State Fiscal Accountability Authority.

(C) The threshold requirements requiring review by the Joint Bond Review Committee and approval by the State Fiscal Accountability Authority as contained in subsection (A)(7) also apply to leases or rental agreements with nonstate entities whether or not the state or its agencies or departments is the lessee or lessor.

SOUTH CAROLINA CODE OF LAWS

(A) All transactions involving real property, made for or by any governmental bodies, excluding political subdivisions of the State, must be approved by and recorded with the Department of Administration for transactions of one million dollars or less. For transactions of more than one million dollars, approval of the State Fiscal Accountability Authority is required in lieu of the department, although the recording will be with the department. Upon approval of the transaction, there must be recorded simultaneously with the deed, a certificate of acceptance, which acknowledges the department's and authority's approval of the transaction as required. The county recording authority cannot accept for recording any deed not accompanied by a certificate of acceptance. The department and authority may exempt a governmental body from the provisions of this subsection.

Requests shall be directed to the Office of General Services. The Office of General Services shall negotiate or approve the terms of all leases of non state-owned real property unless the governmental body has been exempted.

1. GENERAL REGULATIONS

(a) The Office of General Services shall be accountable for the procurement of leased real property for governmental bodies in accordance with the regulations promulgated by the Board.

(1) assure that all appropriate approvals have been obtained.

(2) verify that adequate funds exist for the lease payments;

(3) verify that lease payments represent no more than fair market rental;

(4) verify that upfitting costs represent no more than current market costs;

(5) verify that a multi-year financial plan has been submitted by the requesting agency for review by the Budget and Control Board's budget office.

(d) All requests for leased real property by governmental bodies and agencies shall be submitted to the Office of General Services on a "Request for Space Form" provided by General Services.
